ABOUT JAFF IP CONNECTION

Program Description

JAFF IP Connection is a content marketplace encompassing various Intellectual Properties (IPs) such as books, songs, video games, digital content, and scholarly works with the potential to be adapted into films.

Participants

Publishers, studio groups, musicians, web content platforms, individuals, and all IP holders can participate in this program to connect with professionals in the film and audiovisual industry in Indonesia.

Purpose

To encourage numerous film adaptation deals, strengthening and diversifying the Indonesian film landscape. Companies or groups with original IP and buyers gather to discuss the possibilities of finding the right story for new film ideas.

Participant Requirement

- + Participants must be 18 years of age or older or possess an ID card. If underage, a "Consent Form" from a parent or guardian is required.
- + Participants must be the owner or an authorized representative of the registered IP. Each selected IP will receive two accreditations.
- + Participants must complete the registration form and receive approval from the event organizers.
- + The registration form must be filled out in English.
- + In the event of a dispute between the IP owner and the JAFF IP Connection 2026 Participant, the Organizer disclaims all legal liability and any resulting consequences.
- + The decisions made by JAFF IP Connection are final and non-negotiable.

Agenda and Activities

Meeting Session

1. This program includes a series of meetings with professionals from the film and audiovisual industries.
2. Participants are expected to attend all scheduled meetings.

Special Program

1. If there are any special programs designed to provide motivation and inspiration to participants, they will be announced in due course.
2. Participants are expected to attend all available special programs.

Attendance and Participation

Attendance

Participants are required to attend the entire JAFF IP Connection program without exception.

All participants must be present at their booth from 28 - 30 November 2026, during working hours, which are from 09:00 to 17:00 WIB (Western Indonesian Time).

Meetings & Interactions

Participants are expected to actively check their dashboard and respond to meeting requests from accredited JAFF Market participants regarding their projects.

Participants are allowed to adjust and set their meeting availability slots according to the designated break times.

Facilities and Space Usage

Booth Setup

1. Each participant will be provided with one space equipped with a table and four chairs.
2. The operating hours for JAFF IP Connection booths are from 09:00 to 17:00 WIB (Western Indonesian Time).

Booth Management

1. Participants are not permitted to bring heavy meals into the booth.
2. If issues arise and assistance is needed, participants can request help from the JAFF IP Connection committee.

Facilities and Space Usage

Assistance and Supervision

1. There will be a staff member in the booth to help direct visitors to the relevant booths.
2. Staff/committee members will check and monitor the appointments made by visitors and JAFF IP Connection participants, as well as record visitor attendance.

Preparation and Equipment

Participants must prepare a deck/proposal that can be displayed digitally or in print. For decks to be presented digitally, participants must provide their own devices. The JAFF IP Connection committee will not supply any devices.

Information and Reporting

Reporting of Result

At the end of the session, participants are required to report the outcomes of the meetings they had during the JAFF IP Connection, including all agreements and deals made between participants and visitors

Additional Facilities

Rest Area

Participants who wish to have lunch may proceed to designated areas provided by the committee.

Health and Safety

Health Protocol

All participants must adhere to the health protocols established by the organizers.

Security

1. Participants must follow the security instructions given by the event organizers.
2. This includes complying with emergency evacuation procedures if necessary.

Feedback and Evaluation

Post-Event Feedback

Participants are encouraged to provide feedback on the event to help improve future JAFF IP Connections.

Feedback forms will be distributed at the end of the event.

Performance Review

The organizers will review presentations and overall participation to assess the event's success and identify areas for improvement.

Account Management and Security

Account Confidentiality

1. Participants are responsible for maintaining the confidentiality of their account information and are accountable for all activities conducted through their accounts.
2. Participants are advised to use strong passwords and enable two-factor authentication if available.

Security Breach

Any security breaches or suspicious activities must be reported immediately to the event support team.

Rules Changes

1. The organizers reserve the right to modify these rules and regulations at any time.
2. Participants will be notified of significant changes through the event platform or registered email.
3. Continued use of the event facilities constitutes acceptance of the revised rules and regulations.

Support and Feedback

Support

1. Participants can contact event support for assistance with any issues or questions.
2. Support is available via email, chat, or phone during working hours.

Feedback

Participants are encouraged to provide feedback on their event experience to help improve services and policies.

Thank you and see you soon!
